Doings About Oakway.

OAKWAY, October 30.—Cotton picking will soon be over in this locality.

Several of the young folks of Oakway attended the circus at Anderson on the 23rd instant.

Nedames Keese and Eaton, of Walhalla, visited relatives at Oakway the past week.

Mr. and Mrs. David McGuire, of Newry, visited friends and relatives at Oakway Sunday.

Miss Hattie Haley, who has been visiting her brother, Mr. and Mrs. W. B. Bearden, in Greenville, returned to her home at this place Sunday.

Rev. J. M. McGuire and family are making preparations to move to Columbia, where Mr. McGuire will take charge of a school. He has taught two terms at Oakway, and gave perfect satisfaction. He is succeeded as a general instructor in the school room. He is also an able minister and has served as pastor of the Baptist church here for four years, after which he resigned. Mr. McGuire and family have made a number of warm friends during their stay here, who regret very much to see them go. We can safely say the family is an addition in every respect to any community. Oakway's loss is Conners' gain.

Mr. H. B. Grant, who has been acting as salesman for the firm of D. B. Sloan & Co., of Clemson, is at his father's home, near Oakway.

Mr. Horace Stone and sister, Etta, of Seneca, paid relatives of this community a visit last week.

Rev. G. Wardlaw, of Seneca, has been elected pastor of the Baptist church at Oakway for the ensuing year.

Rev. J. M. McGuire has been confined in his room for the last few days from an attack of rheumatism, but we are glad to know he is able to be out again.

The Sunday school of the New Bethel Baptist church is making preparations for a Bible day service, which will be held on the second Sunday in November. A public invitation is extended to all. Come and bring your filled baskets.

A Fated Family.

PORT CLINTON, OHIO, October 28.—A quadruple drowning occurred near Pleasant Bay, eight miles east of here this afternoon. The drowned were: Douglas Stark, aged 3 years; George Stark, 5; Alfred Stark, 3; Henry Stark, 13; all children of Wm. Stark. Mr. Stark and the children went for a boat ride this afternoon. On returning to shore the boat fouled in a fish trap net, and the children could neither swim nor climb, and were unable to get out of the boat. The children became frightened and leaning over the side of the small craft, capsized it, resulting in the four deaths by drowning.

Mr. Stark came here from Toledo three weeks ago. He then had a family of a wife and ten children. Last week Harvey, aged 4, died, and the week before another child, aged 3 months, died.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made for himself. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work. This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle-working medicine is a godsend to weak, sickly, run-down people. Every bottle guaranteed. Only 50 cents. Sold by all druggists in the country."

THEY PAINTED THE TOWN.

Mayor Holloman Looks After the Pay for the Paint—Price Firm and High.

Last Sunday evening there were "hot times" in the old town for about thirty minutes. Mayor Holloman received word that there was a full-grown row in progress at a house within the corporate limits, and immediately he and Deputy Sheriff B. R. Moss and Marshal Beck and Garrison put out for the scene of trouble. They met a part of the combatants coming down College street, and attempted to make arrests. The cavalry company objected, however, and didn't hesitate to so. The result was a full-grown row in progress at a house within the corporate limits, and immediately he and Deputy Sheriff B. R. Moss and Marshal Beck and Garrison put out for the scene of trouble. They met a part of the combatants coming down College street, and attempted to make arrests. The total registration in New York City foots up 641,070—an increase of about 11 per cent. over the largest registration recorded for the past fifty years. It swept into the city an average of about 94 per cent. of the registered vote has been polled. Should that proportion hold good in the coming election New York City's total vote would be in the neighborhood of 303,000.

Young Women

The entry into womanhood is a critical time for a girl. Little menstrual disorders started at that time soon grow into fatal complications. That female troubles are killing graveyards proves this. Wine of Cardui establishes a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Many women, young and old, owe their lives to Wine of Cardui. There is nothing like it to give women freedom from pain and fit young women for every duty of life. \$1.00 bottles at druggists.

Miss Della M. Strayer, Tully, Kan. "I have suffered untold pain at menstrual periods for a long time, with nervous, had no appetite, and lost interest in everything. In fact was miserable. I have taken four bottles of Wine of Cardui, with the best results. When needed, and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me."

For advice in cases requiring special directions, address, giving symptoms, the Ladies' Wine of Cardui, Chicago, Ill., or the Medicine Company, Chattanooga, Tenn.

Terrible Rainfall at Whitewater.

WHITESTOCK, October 28.—The people of this section are very busy gathering corn and sowing wheat.

Mr. M. L. Hamby, who has been sick for some time, is again able to work.

Mr. J. A. Vissage, who has been confined to his room for some time, is improving.

The Whitestock school, which has been under the supervision of J. S. Colley, will close the second day of November.

The school which has been under the management of J. S. Colley, will close the 5th day of November. An elaborate programme has been arranged for the closing of the school.

The school has been in session four months and I hope all work that has been done was not in vain, but profiting to the students. Again, as I did last year, I beg leave to thank the good people of this section for their kindness and hospitable reception toward me during the past term. TEACHER.

Prevented a Tragedy.

Timely information given Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A child, who had long kept her awake every night, she had tried many remedies and doctors, but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of the majesty of the law was this grand remedy for curing all throat and lung troubles. Only 50c. and \$1.00. Truly a bottle guaranteed. Murderer Hanged in Orangeburg.

Walter Wine was hanged in Orangeburg last Friday for the murder of H. H. Pauling on December 17, 1898. The execution occurred inside the jail and witnessed by about 100 persons. Probably 1,000 persons were outside eagerly watching for the sign which told that another man, whose hands were stained with human blood, had expiated his crime and the majesty of the law was vindicated. Sheriff Dukes was liberal in his time allowance to the prisoner. The negro was cool to the last, and was accompanied to the gallows by spiritual comforters. At 1 o'clock the trap was sprung. A hitch prevented a drop and death resulted from strangulation.
